Letter of apology

Kajal vadher, QA management team, 301,21st century, Surat,395003.

Dear sir,

Please accept my apologies for being late in submitting the project. I was intended to submit my work on last Monday. However, due to some emergency, i could not do so. My mother was not feeling well, and I had to take her to other city for medicine.

I promise that this will never happens again. Please accept my apologies for showing unconcern about my position.

Dear sir,

I am kajal vadher working as tester with the company since 2024 am writing this Letter to request you for a salary raise.since, my joining in 2020, I have been working as a tester and have been looking after several crucial projects that have delivered great results for the company.

During all these years, I have been a regular and dedicated employee who was dedicated all the efforts and time in completing the projects in time and successfully. I can assure you that I have given my best and exceeded the expectations that my supervisor had from me.

I would request you to kindly consider my application for a raise this year after all this hard work and effort, i believe that I deserve this raise as per my work and current position.

Dear sir,

I am a highly successful and experienced sales executive and am writing to inquire if you have any openings at your company for which I might apply.

If after reviewing it you feel there may be a position in your company for me then please do not hesitate to contact me.

I Look forward very much to an opportunity to discuss my related work experience and explain in more detail how I can contribute to the continued success of your company.

Resignation E-mail

Kajal vadher, QA management team, 301,21st century, Surat,395003.

Dear sir,

Please accept this email as my formal resignation from my position as tester at apex technologies. I want to go foreign so I must resign.

I am grateful for the opportunities and support I have received during my time at apex technologies. I wish you and the company all the best in the future.
